TIG

Talent Tank

A REPOSITORY FOR FLAIR

Techno India Group is launching one of its kind Talent Tank. We invite students all over the country to make use of this tremendous opportunity. What is your forte? From creative passions to scientific innovations, if you have the endowment, we will showcase it on our platform. Upload the video of your skill, and the way you wish to present it, on our page and we promise to promote it on a global platform. Indian talent is highly sought after and this could be your chance to make a mark. Each segment will consist of a special panel of esteemed judges who will review your performances. If you wish to be a part of this exciting journey drop us a mail at
